FOUNDERS CLUB STORY OF COGNAC

Welcome to the Founders Club Cognac Collection, where we have meticulously gathered, curated, and documented an extensive selection of authentic cognac from the renowned region of Cognac, France. Our aim is to acquaint you with the captivating world of this exceptional spirit.

The history of cognac dates back to the 16th century when the Dutch distilled wine into eau-de-vie, a colorless fruit liqueur brandy, to prevent spoilage during long voyages. Since then, cognac has been enjoyed globally. French distillers in the 17th century refined the process, developing the Charentaise distillation method still used today. They also discovered that aging the liquid in oak casks enhanced its quality.

Similar to champagne, cognac can only be called cognac if produced according to strict guidelines in the areas surrounding Cognac, France. The region's terroir contributes to the production of superior brandy, and specific white grape varieties grown in Cognac are used to craft cognac.

At the Founders Club, we take immense pride in sharing one of the finest collections of cognac. Our cognacs are organized into six categories, each showcasing a multitude of flavor profiles and expressions of this remarkable spirit. Savoring fine cognac neat provides the most comprehensive experience, allowing you to appreciate the spirit as intended.
